- Weight: 1 pound

About the Book

In the war-torn world of Battletech, redemption is a rare commodity. For the mercenary commander known only as the Black Widow, it is a goal that has eluded her for years. But when she is offered a chance to join a covert operation that could change the fate of the Inner Sphere, she sees a glimmer of hope.

The operation is codenamed "Redemption Rites," and its goal is to assassinate the Archon of the Lyran Commonwealth, Victor Steiner-Davion. The Black Widow is tasked with leading a team of elite mercenaries into the

heart of Steiner's stronghold and carrying out the hit. But as she delves deeper into the operation, she begins to question her own motives and the true nature of redemption.

Set against the backdrop of the brutal Succession Wars, *BattleTech Redemption Rites* is a thrilling tale of espionage, betrayal, and the search for redemption. It is a must-read for fans of the BattleTech universe and anyone who enjoys a good military science fiction story.

Author Biography

Jason Schmetzer is a writer, game designer, and former U.S. Marine. He has written numerous novels and short stories set in the BattleTech universe, including *The Black Widow*, *The Jaguar Warriors*, and *The Gray Death Legion*. He is also the co-author of the *MechWarrior: Dark Age* roleplaying game.

Reviews

“*Battletech Redemption Rites* is a gripping tale of espionage, betrayal, and the search for redemption. Schmetzer has crafted a complex and compelling protagonist in the Black Widow, and the story's twists and turns will keep you guessing until the very end.” – **Publishers Weekly**

“Schmetzer's latest Battletech novel is a must-read for fans of the series. It's a well-written and exciting tale that will keep you on the edge of your seat from beginning to end.” – **SF Signal**

“*Battletech Redemption Rites* is a great addition to the Battletech universe. Schmetzer has created a memorable cast of characters and a story that is both exciting and thought-provoking.” – **Battletech.com**
