The first installment of the trilogy, "Outrage," introduces us to Callie, a young woman who has devoted her life to the church. Her world is shattered when she uncovers a web of corruption and deceit within the very institution she holds dear. As Callie navigates this crisis of faith, she must confront her own doubts and grapple with the realization that her beliefs are not as unshakable as she once thought.

Madness: A Tale of Unwavering Belief

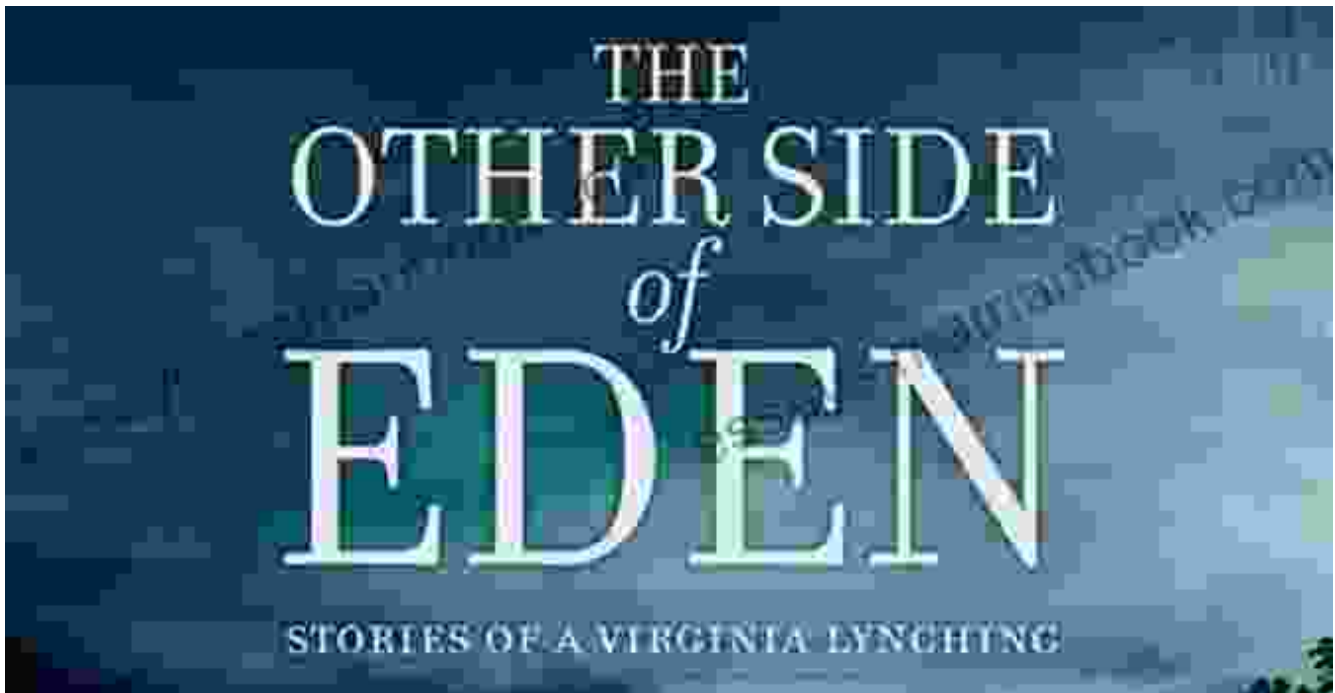

In the second installment, "Madness," McMann shifts her focus to the character of Rachel, a woman whose faith has brought her to the brink of despair. Rachel has dedicated her life to serving others, but after experiencing a series of personal tragedies, she finds herself doubting the goodness of God and the meaning of her own existence.

"Madness" is a poignant exploration of the dark night of the soul, where faith is tested to its limits. McMann masterfully portrays the struggle of a woman who is grappling with the loss of her beliefs and the search for a new path forward.
